Subject: FW: Morrill- DPH- fume hood

Yung,

The new fume hood in 245 in Morrill I is operational. Can you please schedule EH&S to come by and certify the hood so it can be used? If I need to contact someone else please let me know.

Thanks,

Stephen

Steve:

The fume hood is operational. Can you contact EHS regarding certification of the fume hood?

Adams has scheduled the balancing of the rooms for next Thursday. Can we notify all parties necessary to access all the rooms?

Thanks:
